aSir you can find all files you need here.

My own Github Respository resources (These all codes are written by myself and its my own respository):

- Project report : https://github.com/ZeeWING-Projects/DM-Project/blob/main/Project_Report.pdf
- Project Whole Source code : https://github.com/ZeeWING-Projects/DM-Project
- Datasets : https://github.com/ZeeWING-Projects/DM-Project/tree/main/RealDataSet
- Pre-processing code for dataset 1 : https://github.com/ZeeWING-Projects/DM-Project/blob/main/Preprocessing-Code/Preprocessing-dataset-1.ipynb
- Pre-processing code for dataset 2 : https://github.com/ZeeWING-Projects/DM-Project/blob/main/Preprocessing-Code/Preprocessing-dataset-2.ipynb
- Classification code : https://github.com/ZeeWING-Projects/DM-Project/blob/main/Classification%20code/Classifcation-Algorithms.ipynb
- Graphs code : https://github.com/ZeeWING-Projects/DM-Project/tree/main/Graphs-code
- video presentation (Sir please use hand free while listening because I had not a such good quality mic. I have tried to make voice clear but in beginning it is a bit noisy): https://youtu.be/2BIuqNxUBu4

Or you can find every thing at my drive

https://drive.google.com/drive/folders/1cCST1563-jgxt6TCNjD019ms8khRx7FM?usp=sharing
